

Vocational and Business Skills Training and Support Project

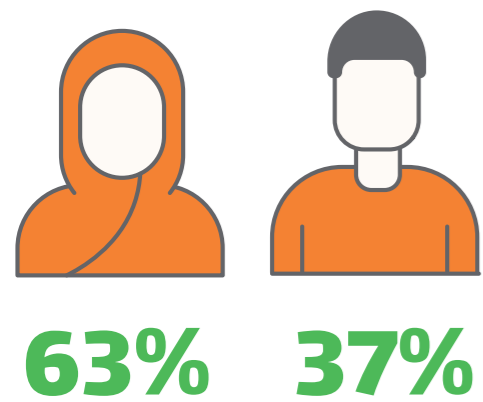

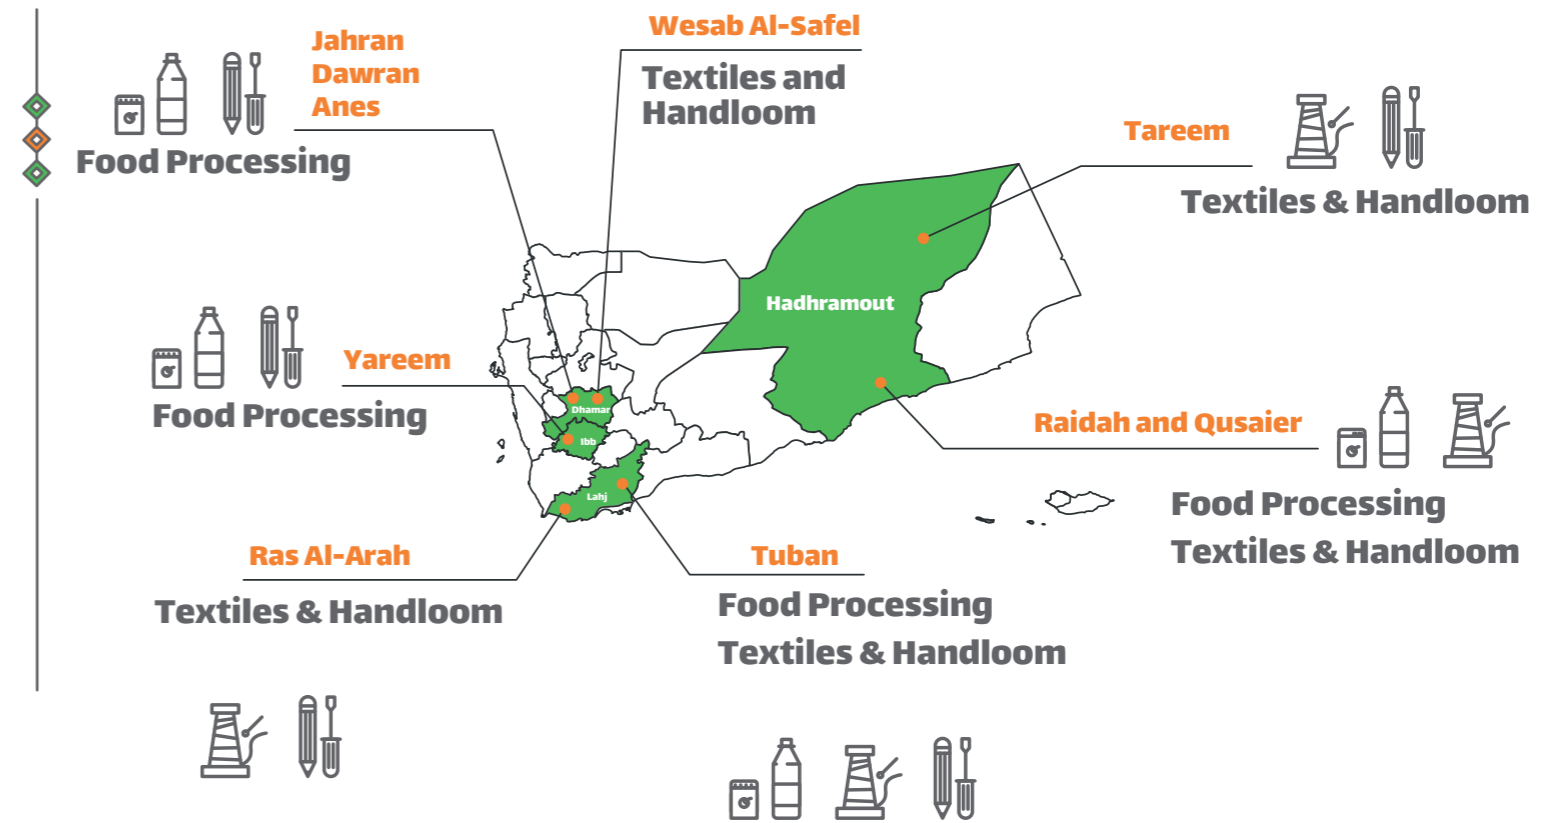

September 2021

About the project:

The Vocational and Business Skills Training and Support Project targets young women and men with technical and in-kind support to improve their livelihood and establish their own businesses, while ensuring about **40%** women participation.

It provides participants with the Know About Business (MFB) My First Business Training, promotion/linkages with the markets, micro-credit training and in-kind grants (toolkits, input materials, etc.).
